About the SVPA Funding Program Round 4

Welcome to the grant application form for the State Voluntary Planning Agreement (SVPA) Funding Program administered by the Department of Planning, Housing and Infrastructure.

Round 4 will allocate approximately \$62.5 million to state and regional infrastructure projects nominated by councils and agencies to support new homes in areas where SVPA funds are collected.

Please review the program guidelines before completing this form. You can also check out more information including our FAQ on our webpage [NSW State Voluntary Planning Agreements](#).

Instructions for Applicants

Before completing this application form, you should have read the program guidelines.

Incomplete applications and/or applications received after the closing date will not be considered.

If you wish to save a draft, click 'save and close'. You can return to your draft by selecting 'My Submissions' at the top of the page.

Submitted applications cannot be edited so ensure all fields are completed and attachments are uploaded.

You will receive a confirmation email with a copy of your submitted application attached. If you have not received a confirmation email, assume the application has not been submitted.

For attachments, please use the following naming convention:

SVPA - Applicant - Project Name - Attachment Type

Note attachments are limited to 25MB each.

For help using the form, refer to SmartyGrant's Help Guide for Applicants [here](#) or their Applicant FAQ [here](#).

For questions about the program or information requested in this form, please contact our program team at svpa.fundingprogram@dpie.nsw.gov.au and quote your application number.

Per collection area

SVPA funds must only be used for a public purpose under section 7.4 the *Environment Planning and Assessment Act 1979*, including:

- provision of public services and amenities
- provision of transport or other infrastructure relating to land
- conservation or enhancement of the natural environment.

To be eligible for funding under round 4, the proposed projects must be:

- nominated by an eligible state agency or local council
- included in an agency capital investment plan (only applicable to projects involving capital expenditure by state agencies)
- within the region budget envelope allocation for the respective collection area and with a funding value between \$500, 000 and \$5 million
- able to be completed by 30 June 2028.

Program objectives

Round 4 of the SVPA Funding Program supports a mix of infrastructure that contributes to housing supply and informs the nomination and assessment process. Its objectives are to:

- plan, prioritise and provide funding towards the right infrastructure at the right time to support housing and jobs growth in both metropolitan and regional NSW
- undertake an open and transparent process that assures expenditure of contributions
- partner with councils and agencies to develop an expanded pipeline of infrastructure projects funded by developer contributions
- assist with demands created by new development for new public infrastructure, amenities and services.

You may select up to five items. You can select items from any area of the list – all have equal value. Only select sub-categories if you want to be more specific. In this question we want to know about the field of work (e.g. arts, sport, health), rather than the types of people it will affect (e.g. young people, refugees). Please note responses collected for this question will be for reporting purposes only.

Who are the expected primary beneficiaries of this project/program? *

Please choose only the group/s that are at the very core of this project/program. If your initiative is open to everyone, choose the first item, Universal – no particularly targeted beneficiaries. Please note responses collected for this question will be for reporting purposes only.

Please provide a short rationale for your project. *

Word count:

Must be no more than 200 words.

Explain why your initiative is needed, and why you believe the activities you propose will produce the outcomes you seek.

Risks

Please detail any risks in the delivery of the project, and how each of these will be managed.

Please include only one risk per row. Add more rows if you want to list additional risks.
